Our immense collections of authentic wearing apparel are involved in this tremendous undertaking. Bewitchingly beautiful in design-exclusive in patterns-individual in conception-they emphasize the authoritativeness of H. I. Summerfield models.

Ordinance Turning Over Medical Staff Appointments to College of Medicine Will Be Passed Next Tuesday.

Mr. Mooney argued that the contract is absolutely necessary to the life of the medical college, and without it the college will certainly be compelled to close as the trustess of the university will not under any consideration conduct a college except one in the highest class, and the highest rating, class A, can not be maintained except with control of the hospital as proposed.

The commissioners will hold a confer-friday to make two or three changes in the contract, and it will come up for final reading Tuesday.

The school claims now to have some 57 pupils.

All were drawn on

All were drawn on the Solvent Savings bank.

Den ordered a bill of goods from the Monagnan grocery and had a turkey included in the order. "I'll take the turkey with me. You can send the rest to 423 Beale," he told the clerk. Dan got away with the turkey and the change from a bad check.

Klinck Bishop and Joyce sighted Dan near Third street and Beale avenue. Klinck put the belt-handhold on Dan, and he and Bishop covered Dan with pistols. But Dan jerked free and fled amid a fusiliade. Bishop, who is built for a sprinter, although his wind isn't what it used to be, pursued. By the time Monroe and Fourth was reached, Bishop's wind was so far gone that he could only gasp, "Ah, Oh, Ah," when he spied McGonigal in the offing. But "Mac" understood. "All right," he shouted, and enfolded the fleeing Dan in a bear hug which landed Dan in the city prison.

ROTARY WHEEL, CLEVER

The Christmas issue of the Rotary Wheel, publication issued by the Memphis Rotary club, reached all members with Wednesday morning's mail. It is by far the most attractive issue yet gotten up by the Rotarians.
